Very nice furnished and equipped apartment located on rue Leydenbach, in the heart of the Kirchberg district, on the 1st floor of a recent residence.

The property has a surface of 101sqm and opens on an entrance hall with custom made cupboards and separate toilets. This leads to a large living room - dining room which is extended by a beautiful semi open equipped kitchen separated from the living room by a glass roof. A pleasant loggia completes the living room.

The night part includes 3 bedrooms: a first bedroom adjoining the dining room with a custom-made desk, 2 additional bedrooms with a view on the greenery, a bathroom and a shower room.

An indoor parking space in the basement and a cellar are also included.

Spacious and bright, the apartment enjoys beautiful finishes and is a few steps to all amenities.
