Beautiful mansion located in a quiet and residential street of Belair.

Built over a land of 0.29 acre, the property boasts a living surface of 5,381 sq.ft and retains much of charm and character.

The house opens to a large foyer which leads to the day quarters: double living room, office, hall with built-ins leading to separate toilets and large equipped and separated kitchen. This room leads to the basement and to the terrace which transitions to the large, tree-filled garden.

The 1st floor includes 2 en suite bedrooms with front terrace, two additional bedrooms including one with rear terrace and a full bath. On the same level: separate toilets.

On the top floor: 4 large bedrooms including one with mezzanine, a bathroom and a shower room.

The basement houses the wellness area with steam room, shower and toilets. A laundry, an additional room and a nice wine cellar complete this level.

The property also enjoys a large 3-car garage and 3 outdoor parking places.

Elegant and authentic, the mansion boasts large volumes and nice finishes. Ideally located, the house is set in a quiet place with all amenities just nearby.
